IMPORTANT INFORMATION from the Physician Surgery Center of Albuquerque

- You will be receiving a text message and/or an email with a **Surgical Health Assessment link** 24-72 hours after scheduling. Once received, you will need to complete it prior to your pre-operative appointment at Southwest Eyecare.
- **The Surgical Health Assessment is required for all surgeries at the Physician Surgery Center of Albuquerque. If the Surgical Health Assessment is not completed, your surgery will be cancelled at your pre-operative appointment.**
- **The surgery center will call you after the Surgical Health Assessment is completed. If you do not answer or return the call your surgery will be rescheduled.**
- **If you have questions regarding the Surgical Health Assessment, please call the surgery center's health assessment line at (505) 508-3303.**
- If you require medical clearance from your Specialist or Primary Care provider, your surgery may be cancelled and rescheduled once clearance has been obtained and approved by anesthesia.
- **You will need a ride the day of your surgery and they must remain at the surgery center** until you are discharged, or you will be cancelled.
- **You must have someone with you for the first 24 hours after your surgery** or your surgery will be cancelled.

If you have questions not related to the Surgical Health Assessment, please call your surgery coordinator. Our surgical coordinators can be reached by email or phone, if you reach their voicemail, please leave a message and they will return your call as soon as possible.
