## FINANCIAL POLICY

Revised January 2025

- **INSURANCE CARDS:** Please make sure the insurance cards presented at each visit are current and accurate.
- **AUTHORIZATIONS:** Some insurance plans require prior authorization or referral for services by specialists. If your insurance plan requires either; it is your responsibility to obtain this authorization before your visit.
- **PAYMENT:** Payment is due when services are rendered. If insurance is being filed you will be responsible for paying any copay, co-insurance, and deductible amounts at the time of service. If you are unable to pay these amounts at the time of service your appointment may be rescheduled and/or your account may be subject to a \$20 billing fee. Balances remaining after 3 statements are also subject to a billing fee.
- **NON-COVERED SERVICES/DENIED CHARGES:** Certain services may be considered non-covered services or may be denied as investigational, experimental, or not medically necessary by your insurance carrier. If your physician feels these services are needed and they are performed, you are obligated to pay for these services in full should your insurance carrier deny payment. Note: Refractions are considered NON-COVERED (See REFRACTIONS below).
- **MEDICAL PLANS WITH VISION BENEFITS:** Please be advised that some medical plans do have routine vision benefits. However, sometimes these vision benefits are with a different insurance carrier. *Southwest Eyecare may participate with your medical plan but not your vision plan.* Please contact your insurance carrier to verify your benefits and whether Southwest Eyecare is a provider for your medical plan. Present all insurance cards at check-in and inform check-in if your visit is for routine vision care or to be filed to your medical insurance.
- **MEDICAD/CENTENNIAL PROGRAMS:** Southwest Eyecare participates in these programs by doctor referral only and only for medical conditions. Southwest Eyecare does not participate in the routine portion of these plans. Medicaid patients are required to see in-network optometrists for routine vision services as we are unable to provide glasses RX.
- **RETURNED CHECKS AND PAST DUE AMOUNTS:** Returned checks will be subject to collection charges, penalties, and interest. All accounts are considered past due if not paid within 60 days of service. Past-due accounts may result in collection turnover and may be subject to penalties and interest, and/or the refusal of future appointments until old balances have been paid in full. Southwest Eyecare does not accept postdated checks.
- **SURGERY CHARGES:** Southwest Eyecare will make every effort to determine your insurance benefits prior to any scheduled surgery. Southwest Eyecare will notify you of an approximate amount you will be responsible for paying prior to the date of surgery. Please keep in mind that this is just an estimate. You may incur other charges (in addition to the surgeons' fee) from the surgery facility, anesthesiologist, laboratory, and/or radiologist.
- **CANCELLATION POLICY:** All appointments that are not canceled within 24 hours of the appointment will be subject to a **\$30 NO-SHOW fee**. The \$30 fee must be paid before we can reschedule your appointment.
- **VISION PLANS:** **Southwest Eyecare does not participate in any vision plans. We also do not fit or prescribe** contact lenses. If you are here for a routine vision exam (there are no medical concerns or chief complaints) you will be responsible for payment in full at the time of service. Routine vision exams are NOT filed to insurance and the fee of \$150 plus tax is due at checkout.
- **REFRACTIONS:** Refraction is the process of determining if there is a need for corrective lenses. It is an essential part of an eye exam and necessary in order to write a prescription for glasses. We will file the charge for the refraction with your health insurance, we are not contracted with any vision plans. In the event the charge for the refraction is not covered by your health insurance a fee of \$60 will be applied to patient responsibility.

NOTE: Effective January 1, 2011 Southwest Eyecare Specialists will process all checks via desktop deposit. The system uses information from your check to make an electronic fund transfer. Please make your payment by credit card if you prefer your check not processed this way. Thank you.

## Cancellation and No-Show Policy

We strive to meet and exceed the expectations of all our patients and are dedicated to providing excellent medical care to you and the rest of our patients. To meet your needs, we are implementing a cancellation and no-show policy. This policy enables us to better utilize available appointments for our patients.

We understand that situations may arise where you need to cancel your appointment. To help us provide consistent care, please provide at least **48 hours' notice** when you must cancel or reschedule.

Time is specifically reserved for you on the physician's schedule when you make your appointment. When sufficient notice is not given to cancel or reschedule your appointment, it does not give us enough time to contact another patient who could come to the clinic during your assigned time. This results in patients not getting the care they need, when they need it.

We understand that sometimes unforeseen circumstances may require rescheduling an appointment. These situations will be considered on a case-by-case basis. However, excessive missed, rescheduled, and/or cancelled appointments will be handled accordingly:

- **A verbal notice will be provided to the patient at two (2) negative occurrences.**
- **Within a year after three (3) consecutive negative occurrences, the practice may, at its discretion, discontinue your care.**
- **Negative occurrences include:**
  - A “no-show” is missing a scheduled appointment.
  - A “late-cancellation” is canceling an appointment without calling us to cancel within 48 business hours of the office. (Monday office appointments require notice on Thursday during business hours to cancel. After hours on Friday or the weekend will be considered a late cancellation for a Monday appointment.)
  - *Note: If the Provider's office reschedules your appointment, no negative occurrence will be applied to the patient.*

Our practice believes that a good physician-patient relationship is built on understanding and respectful communication. Your health and well-being are important to us.

Please sign that you have read and understand this Cancellation and No-Show Policy.

## Acknowledgment of Refraction Policy

A refraction diagnostic evaluation is the process of determining your best-corrected vision and determining if corrective eyeglasses are needed. It is an essential part of the eye exam and is necessary to write a prescription for corrective lenses, such as glasses. Refraction services provide the following information:

**Diagnostic:** Physicians use refraction to determine the best possible visual acuity and function of the eye, as well as to diagnose underlying medical conditions that affect the eyes. They also use refraction results to compare changes in vision between appointments.

When a refraction is performed at Southwest Eyecare as part of a diagnostic medical exam, cataract evaluation, or surgery evaluation, patients will not be charged for this testing.

**Prescriptions:** Refraction testing can generate a prescription for corrective lenses, such as glasses. It can also determine whether patients can be helped with updated glasses or when they have experienced a change in their vision.

*If the refraction is requested for a new prescription for glasses, Southwest Eyecare's fee is \$60.* The refraction prescription evaluation is NOT a service covered by Medicare and most other medical insurance plans. These plans consider refraction a "vision" service, not a "medical" service. We will file the charge for the refraction with your health insurance. We are not contracted with any vision plans. If covered by health insurance, copayments, co-insurance, and deductibles are the patient's responsibility and will be billed accordingly. If your health insurance does not cover the refraction charge, a fee of \$60 will be applied to patient responsibility.

By signing below, you acknowledge you have received the Refraction policy.
